Reserve Your Brick

Become a Permanent Part of SS. Peter & Paul Church

Brick programs are the perfect way to honor and remember loved ones or to commemorate a birthday, graduation, anniversary or other special event. The cost of each brick directly supports the addition of a handicapped entrance and parking lot at SS. Peter & Paul Catholic Church and gives permanent recognition to donors for their contributions.

Each brick is made of weather-sealed tinted clay. Engraved letters have a black fill for greater legibility and durability. Engraved with your name or personal message, the brick pavers will leave a lasting impression and a unique reminder of your loved ones or special occasions.

Bricks will be placed at the church entrance of the new handicapped parking lot.
